INDIAN INSTITUTE OF ENGINEERS(IIE)

INDIAN INSTITUTION OF ENGINEERS:

Indian Institution Engineers (IIE) is one of the oldest professional institutions in India established in 2001 to promote, advance and update knowledge, business & practice of engineering professionals.

IIE Institution is thus helping thousands of younger members of community working in engineering to obtain engineering qualification & also to advance their technical knowledge & enhance their engineering career but, who have been unfortunate in securing admission in regular Polytechnics and Engineering Colleges due to no fault of their through non formal system of education.
